**RE: Draft Area 2 Field Sampling Plan Addendum to Remedial Investigation Work Plan for PFAS
Former Fort Devens Army Installation, Devens, MA
Contract No. W912WJ-18-C-0011**

Dear Ms. Reddy,

KOMAN Government Solutions, LLC is pleased to provide with this cover, an electronic copy of the draft *Area 2 Field Sampling Plan (FSP) Addendum to the Remedial Investigation (RI) Work Plan for Per- and Polyfluoroalkyl Substances (PFAS) at the Former Fort Devens Army Installation, Devens, MA.*

In accordance with the expedited project schedule, a 30-day review period is provided for regulatory agency and stakeholders review of the draft Area 2 FSP. After the 30-day review period (26 October 2018), a BRAC Cleanup Team (BCT) meeting is planned to be held during the week of 29 October 2018 to resolve any comments on the Area 2 FSP so that field mobilization may begin as soon as possible.

Please contact me at (508) 219-6771 or jropp@komangs.com if you have any questions or require additional information.

Sincerely,
KOMAN Government Solutions, LLC
